#01[22:00] <@MikeKane> To everyone: Thank you for your support, and I'm glad you enjoy the  
#01[22:00] <@MikeKane> show. We have many more stories to tell, but the decision to start a  
#01[22:00] <@MikeKane> new season is made at the Disney Channel and is based on a number of  
#01[22:00] <@MikeKane> factors, including, especially... fan support.  
#01[22:00] <@MikeKane> If people are watching the show, and enthusiastically writing in to  
#01[22:00] <@MikeKane> let them know that you want to see more of it, that weighs in on the  
#01[22:00] <@MikeKane> timing and quantity of new episodes for ADJL  
#01[22:00] <@MikeKane> Best of luck,  
#01[22:00] <@MikeKane> ...Jeff

[00:27] <ArkansanDragon> no, not you, lol :)  
[00:27] <Aaron> ok lol  
[00:27] <@Justin> hey, darkdragon, can i ask you a quick question?  
[00:27] <ArkansanDragon> I meant the email :)  
[00:27] <@Justin> off topic, sorry  
[00:27] <Aaron> lol  
[00:27] <Darkdragon2007> go ahead  
[00:27] <amdragfreak> We love to LOL loud and loud and clear  
[00:27] <@Justin> do you have a myspace?  
#01[00:27] <@MikeKane> haha, um I'll make this one shorter  
[00:27] <Aaron> lol  
[00:27] <Aaron> i do  
[00:27] <Darkdragon2007> yeah i do  
#01[00:27] <@MikeKane> I had an error with it last time and it displayed every email we'd exchanged  
[00:27] <@Justin> ok, that's what i thought, i was that random guy who added you as a friend,  
"Dragon" is my name  
I don't know if this email should have been displayed, I may have had a lapse in judgement there :-/  
#01[00:27] <@MikeKane> Mike,  
#01[00:27] <@MikeKane> Unfortunately, I will not be able to make it to the Skype rally, after all.  
#01[00:27] <@MikeKane> As it happens I will be in a pitch meeting at Disney at that very  
#01[00:27] <@MikeKane> moment, trying to sell them on an American Dragon spin-off centered on  
#01[00:27] <@MikeKane> Haley's future adventures.  
#01[00:27] <@MikeKane> To everyone: Thank you for your support, and I'm glad you enjoy the  
#01[00:27] <@MikeKane> show. We have many more stories to tell, but the decision to start a  
#01[00:27] <@MikeKane> new season is made at the Disney Channel and is based on a number of  
#01[00:27] <@MikeKane> factors, including, especially... fan support.  
#01[00:27] <@MikeKane> If people are watching the show, and enthusiastically writing in to  
#01[00:27] <@MikeKane> let them know that you want to see more of it, that weighs in on the  
#01[00:27] <@MikeKane> timing and quantity of new episodes for ADJL  
#01[00:27] <@MikeKane> Best of luck,  
#01[00:27] <@MikeKane> ...Jeff  
[00:28] <Aaron> kool  
[00:28] <amdragfreak> I like his reply. It gives hope  
[00:28] <@Justin> it does  
[00:28] <ArkansanDragon> yeah!  
[00:28] <Darkdragon2007> \*smlies\*  
[00:28] <ArkansanDragon> uh, Mike?  
#01[00:28] <@MikeKane> yes?

#06[00:29] \* @Justin breathes a sigh of hope  
[00:29] <Darkdragon2007> Justin i need u to repeat ur message  
[00:29] <Darkdragon2007> lol  
[00:29] <@SDS> we need more enthusiasm  
[00:29] <Darkdragon2007> yeah i agree  
[00:29] <ArkansanDragon> I thought you weren't supposed to tell them that?  
[00:29] <@Justin> ok, i just said that i wast the random guy who added you as a friend, "Dragon" is  
my name  
[00:29] <Aaron> lol i wish it would b about jake's son bein the amdrag

#01[00:29] <@MikeKane> I figured he'd shared it with me so it was ok

[00:30] <ArkansanDragon> huh.....  
[00:30] <Aaron> it should b about jake's son  
[00:30] <@Justin> haha  
[00:30] <Clone> or have more of haley  
[00:30] <ArkansanDragon> no.....  
[00:30] <@Justin> i'm with that  
[00:30] <@Justin> jake's son, that is  
[00:30] <Aaron> it should b about jake's son being the american dragon  
#01[00:30] <@MikeKane> the haley part is just a pitch, and it'd be a seperate show, but I nothing will come of it yet  
[00:31] <ArkansanDragon> Haley, Jake, Rose, 88, 89, Another bad guy.....  
[00:31] <Aaron> or how about the return of the huntsclan  
[00:31] <@Justin> "another bad guy"?  
[00:31] <amdragfreak> How about Pandarus  
[00:31] <Aaron> yeah  
[00:31] <Aaron> pandaris  
[00:31] <Clone> ya  
[00:31] <@Justin> hmm...  
[00:31] <Darkdragon2007> hmm  
[00:31] <ArkansanDragon> Dark Dragon? Chang?  
[00:31] <Darkdragon2007> lol  
[00:31] <@Justin> lol  
[00:31] <@SDS> idea...Jake, Jr....having no idea what his dad is like...goes back in time  
[00:31] <Clone> there ded  
[00:31] <@Justin> great minds think alike, don't they?  
[00:31] <Darkdragon2007> probadly  
[00:32] <Aaron> SDS that was my idea  
[00:32] <Aaron> lol  
[00:32] <ArkansanDragon> ?  
[00:32] <@SDS> then go for it Aaron  
[00:32] <ArkansanDragon> ???  
[00:32] <@SDS> i'm not stopping you  
[00:32] <@SDS> lol  
[00:32] <Aaron> SDS siad that it should b about jake's son going back in time  
[00:32] <Darkdragon2007> will Jake's dad ever know Jakes powers?  
[00:32] <Darkdragon2007> lol SDS

[00:32] <amdragfreak> Yes  
[00:32] <Aaron> yes at the end of HKLS  
[00:32] <ArkansanDragon> ? who knows.....?  
[00:33] <@Justin> i hope so  
[00:33] <Darkdragon2007> benn bugging me a litte  
[00:33] <Clone> yes he will  
#01[00:33] <@MikeKane> I say why not make it about...Jake  
[00:33] <Aaron> i vote for jake's son  
[00:33] <@Justin> that would work too, season three you mean?  
[00:33] <Aaron> yes  
[00:33] <@Justin> mike?  
[00:33] <amdragfreak> U recall him asking "when they turn into dragons, what happens to their clothes?"  
[00:33] <Aaron> yes i saw that  
#01[00:33] <@MikeKane> who says a 3rd season has to change drastically? If it changes to much we might not like it as much  
[00:33] <Clone> good question  
[00:33] <ArkansanDragon> Will Rose's familiy ever find out that she's in love with a dragon, and used to be a dragon slayer?  
[00:33] <@Justin> me too  
[00:34] <Clone> another good question  
[00:34] <Aaron> they r gonna find that out in HKLS  
[00:34] <@Justin> I'm with mike, why change what's clearly working?  
[00:34] <@SDS> I would like another Fury episode  
[00:34] <Clone> ?  
[00:34] <@SDS> to finish the character once and for all  
[00:34] <@Justin> haha, that would be cool, SDS  
[00:34] <amdragfreak> I think Fury would come back. She's still on the loose  
#01[00:34] <@MikeKane> Fury was good, I'm wondering what happened to fred nerker and Nigel Thrall  
[00:35] <@Justin> yeah, nigel...is he a good guy or bad guy?  
[00:35] <Clone> true  
[00:35] <Aaron> or how about jake's son goes back in time and kills fury and all of the villians in the show  
[00:35] <@Justin> he just seems like season 2's fred nerker  
[00:35] <ArkansanDragon> will Rose's familiy find out about her past life?  
[00:35] <@Justin> yet another great question...  
[00:35] <Aaron> in HKLS they might  
[00:35] <amdragfreak> I always thought that Pandarus could be Nigel's teacher because he said he needed to complete his training.  
[00:35] <@Justin> but she doesn't remember, does she?  
[00:35] <Darkdragon2007> we just have to wait and see  
[00:35] <Clone> yep  
[00:35] <@Justin> yeah, amdragfreak, i thought that too at first  
[00:35] <@Justin> but now i'm not sure  
[00:35] <Aaron> like i siad i have the entire eo of HKLS but its all in greek  
[00:35] <@SDS> Motor Ed as a villain...I'm being silly
